### Create an Account in Sendgrid:

The screenshot shows the SendGrid onboarding interface. The browser tabs include WhatsApp, IBM-EPBL/IBM-Project-10, IBM-EPBL/IBM-Project-49, SendGrid, prathyusha engineering, and others. The address bar shows the URL `app.sendgrid.com/guide?from=profile&integrate=true`. The page content includes a sidebar on the left with a user profile 'Dwaraka, Kavyasu' and various navigation options. The main area features a welcome message and a guide to creating a sender identity, with a visual example of an email header showing the 'from' field.
